FAMILY SEWING MACHINES,

Promotes the leisure, health and happiness of home-OFFICES: No. 71%, Public Square. Nashville, Ten. No. 495, Broadway, New York.

Reason why this Machine is Universally Preferred over All Others.

1 Because it is the only Sewing Machine in the world ever invented, so constructed as to fully meet the demands of families for general

2 It is very simple and is zever liable to get out of order. 3 It makes a seam which will not rip, though every third stitch is out.

4 It is not a Shuttle Machine. 5 It sews with two needles, making any length stitch desired. 6 It sews from two ordinary spools, and thus all trouble at winding thread is avoided;

while the same Machine can be adapted at pleasure, by a mere change of spools, to all varieties of work. 7 The same Machine runs silk or linen thread, and common spool cotton, with equal facility.

8 This Machine will sew in the sleeves of a coat with the same ease and ficility that it sews a straight seam. 9 This Machine can be run to make one thousand five hundred stitches per minute. 10 The seams are as elastic as the most elas tic fabric, so that it is f ee from all liability to

break in washing, ir ming or otherwise. 11 The stiches made by this machine are more beautiful than any other made either by hand or machine. The price of these Machines at office in New York, range from \$75 to \$150; an additional charge of \$10 only is made on each machine over New York prices at office in Nashville, to

defeay expenses of importation, &c., to Nash-R. H. BROCK WAY, Sec'y., Nashville Sewing Machine Company. March 25 LYONS & CO., IMPORTERS AND WHOLESALE DEALERS IN
